Summary

Please provide a brief summary of all regulatory changes, including the rationale behind such changes. Alert the reader to all substantive matters or changes. If applicable, generally describe the existing regulation.

Pursuant to the 2009 Acts of the Assembly (SB1282 – Chapter 687), the Board of Long-Term Care Administrators has amended its regulations relating to the responsibility of the licensee, certificate holder or registrant to provide current addresses. SB1282 requires that every regulant of the Board must provide an address of record for use by the Board and the Department, but permits a person to provide a second address to be used as the public address. If a second address is not provided, the address of record becomes the public address. Regulations are amended to use the statutory terminology of address of record and to clarify that the regulant has a responsibility to notify the board if there is a change in the public address as well as the address of record (if there is a difference).

Statement of final agency action

Please provide a statement of the final action taken by the agency including (1) the date the action was taken, (2) the name of the agency taking the action, and (3) the title of the regulation.

On May 5, 2009, the Board of Long-Term Care Administrators acted to amend its regulations in Regulations Governing the Practice of Nursing Home Administrators (Chapter 20) and Regulations Governing the Practice of Assisted Living Facility Administrators (Chapter 30) to conform requirements for providing a current address to changes in § 54.1-2400.02 of the Code of Virginia. The action is exempt in the Administrative Process Act under § 2.2-4006 of the Code of Virginia and will become effective on July 1, 2009, the effective date of the legislation.
